But remember: no stations of any kind. Plan accordingly, stay safe, and #RespectConnectProtect. Learn more by visiting @conservationLF respectconnectprotect.org #connecttotheland #spokespebble!". At the bottom of the page, there is a photo of a group of people holding blue signs, and a paragraph of text: "Volunteering not only assists Friends in continuing our Mission, but also offers unexpected rewards for those who participate. Apart from the sense of pride and accomplishment that comes with working on individual projects, many Friends volunteers (and all of the staff) feel a sense of family that comes naturally with the shared values, exchange of ideas, and respect for each other and the environment that brings us together".
