Birding Walk-About, Demuth Park

Join a Friends' volunteer docent birding expert to look for our feathered desert residents. Demuth Park is a rare location that provides terrific birding opportunities as it is a park with lots of trees, water and a paved walkway. A great place to see a good variety, approximately 25 species, of birds from migrating warblers to water fowl. Come spend a little time on your morning walk through the park looking at beautiful mountain vistas, watching the birds and enjoying the sunshine. Sorry, no dogs are allowed for this event. Bring your binoculars, 1 liter of water, a sun hat, sunscreen and wear close-toed shoes. RSVP is required and you must bring your ticket with you for check-in 15 minutes prior to start time. Ticket reservations begin 14 days prior to the event. A suggested non-refundable donation of \$5.00 per person is appreciated and encouraged to support our volunteer programs. Birding Walk-About, Desert Willow

Grab your binoculars and join a Friends' volunteer docent birding expert to look for our feathered desert residents. In this unique urban area, we are still able to find a little native desert environment surrounded by local trees and shrubs that many of our feathered friends call home. As you walk on the sidewalk adjacent to the golf course, you will find approximately 25-30 different species on your 2-mile walk-about. This is truly a "jewel in the desert" location to be enjoyed. Sorry, no dogs allowed for this event. Bring your binoculars, 1 liter of water, a sun hat, sunscreen and wear

close-toed shoes. RSVP is required and you must bring your ticket with you for check-in 15 minutes prior to start time. Ticket reservations begin 14 days prior to the event. A suggested non-refundable donation of \$5.00 per person is appreciated and encouraged to support our volunteer programs. Cactus Springs Trail to Dolomite Mine and Horsethief Creek Hike (approved CVMSHCP)

During 2021, this area was ravaged by a wildfire. Friends' volunteer docents will discuss fire ecology and how flora and fauna are reclaiming this area. The forested area was important to the Cahuilla people who lived off the land and more recently played a role in the mining history of the National Monument's land. This unique hiking opportunity offers a short 2.5-mile hike to the site of an old dolomite mine. If interested in hiking further, a longer 5-mile round trip hike to Horsethief Creek will be offered. This moderate hike follows an ancient Cahuilla path from the mountains to the desert floor and involves an elevation change of 850 feet. This trail is friendly to dogs on a leash. Bring 2 liters of water, a sun hat, sunscreen and wear close-toed shoes. RSVP is required and you must bring your ticket with you for check-in 15 minutes prior to start time. Ticket reservations begin 14 days prior to the event. A suggested non-refundable donation of \$5.00 per person is appreciated and encouraged to support our volunteer programs. For more information contact the Visitor Center at 760-862-9984. Note: We will meet in the Sawmill Trail parking lot. Click here for map/UTM coordinates: [33.57995, -116.45056](#)

Cahuilla Tewanet Overlook (interpretative site)

Sharen's - We begin at the Cahuilla Tewanet Overlook for a short interpretive walk in the Upper Sonoran life zone. You will enjoy the beautiful vistas as you learn about Cahuilla life and their usage of plants. Extend your journey as we travel up Highway 74 to the northern crossing of the Pacific Crest Trail. A short hike in this Transition Zone helps you to compare plant and animal life here, to that in the other life zones. If time permits, you can enjoy an optional lunch at the nearby Paradise Cafe or Sugarloaf Cafe. This trail is friendly to dogs on a leash. Bring 1 liter of water, a sun hat, sunscreen and wear close-toed shoes. RSVP is required and you must bring your ticket with you for check-in 15 minutes prior to start time. Ticket reservations begin 14 days prior to the event. A suggested non-refundable donation of \$5.00 per person is appreciated and encouraged to support our volunteer programs. Monument Night Adventures Volunteer Training (Advise the correct date/year etc)

Saturday, May 27 will be our first scheduled Monument Night Adventures for 2023. I am so looking forward to providing this family friendly event again. There are many of you who have indicated you would like to be part of this Friends' hike team program. Some of you have helped provide this activity in the past. Yet many of you are new to the Friends' volunteer program. To make this event enjoyable for the public, we will be doing training. This training is to help you become familiar and comfortable with your role for the evening and able to assist the public. The training will include: logistics of the area, what the various roles volunteers are needed to do and of course the FAQ's. Blacklights will be provided. We will meet at the Art Smith Trailhead parking lot located just past the driveway for the Visitor Center approximately 100 feet on the southwest side of Highway 74. Pacific Crest Trail - North Hwy 74 (needs BLM approval) (not in CVMSHCP boundary)

We will hike about 5.4 miles out and back on the legendary Pacific Crest Trail (PCT). Starting at 4,928 feet elevation at the Trailhead. The trail meanders up and down through the Garner Valley meadow area, traversing through a sea of chaparral dominated by chamise and red shanks. There are beautiful vistas of the mountains and valleys with glimpses of exposed-rock areas. For the botanically-inclined there are many surprises, as the trail travels through oak and pine forest, past boulders, and along steep cliff sides until reaching a seasonal water source about 2.7 miles. This is the turnaround-point. Elevation gain of 700-feet is tempered by the rise and fall of the trail. This trail is friendly to dogs on a leash. Bring 2 liters of water, snacks, wear closed-toed shoes, sun hat and sunscreen. RSVP is required and you must bring your ticket with you for check-in 15 minutes prior to start time. Ticket reservations begin 14 days prior to the event. A suggested non-refundable donation of \$5.00 per person is appreciated and encouraged to support our volunteer programs. Spitler Peak Trail (USFS not in any Monuments)

The trail starts in Garner Valley's chaparral country at about 4920 feet elevation. The first mile is relatively flat with the second mile a gentle ascent. Chamise is the most common shrub in the lower chaparral region with the striking manzanita appearing a little higher. Looming above to the east is Spitler Peak, at 7440 feet. When the ascent grows too steep, we will admire Spitler Peak from the base, before turning back down the trail. This hike is easy to moderate, approximately 3.5-miles roundtrip. This trail is friendly to dogs on a leash. Bring 2 liters of water, a sun hat, sunscreen and wear close-toed shoes. RSVP is required and you must bring your ticket with you for check-in 15 minutes prior to start time. Ticket reservations begin 14 days prior to the event.
